Welcome to **PAIN+ CPN** (Chronic Pain Network) providing access to the latest high-quality research on pain.

The new website contains all the previous features of PAIN+ and some new functions:

»» Browsing function with pain related topics;

»» Evidence Summaries;

»» Registration page to:

» select specific topics for alerts;

» volunteer to become a **CPN Public Jury Member** and have access to special contents. As a Juror, you will tell us which articles are of interest to you, rate them, select to whom the content should be directed (patients, doctors, policymakers, etc.), and tell us what the “bottom line” message of the article is for you (optional).
